## SENTENCE COMPUTATION

If total sentence points are less than or equal to 44, the lowest permissible sentence is any non-state prison sanction. If the total sentence points are 22 points or less, see Section 775.082(10), Florida Statutes, to determine if the court must sentence the offender to a non-state prison sanction.	1
	. 1
If total sentence points are greater than 44:	<u>-</u>
183.4   155.4   116.55 219.4   minus 28 = 191.4 x .75 = 143.5	1
total sentence points lowest permissible prison	1
sentence in months	ļ
If total sentence points are 60 points or less and court makes findings	١
pursuant to both Florida Statutes 948.20 and 397.334(3), the court may place	١
the defendant into a treatment-based drug court program.	
	. 1
The maximum sentence is up to the statutory maximum for the primary and any	
additional offenses as provided in s.775.082, F.S., unless the lowest permissible sentence under the code, exceeds the statutory maximum. Such sentences may be imposed concurrently or consecutively. If total sentence points are greater than or equal to 363, a life sentence may be imposed.  LIFE  maximum sentence in years
